Dedication

Mrs. Leland Buchanan

We, the Senior Class of 1960, dedicate this, our annual to Lois Buchanan in appreciation of her years of service and loyal devotion to our school and community. Not only has she performed her regular duties but she has also assisted in the many projects sponsored by the school. We know that this dedication is but a small token expressing our thanks for all the time she has given, however, we hope that it may in some way make up for all the years she has given to the students of Hebron.

Senior Activities

"The Family Nobody Wanted" was the title of our junior class play. Here is the cast with our director, Miss Kolling.

This is one of the scenes from the play before we had our regular stage scenery.

Cathy, Donna, and Joanne are working away at one of our car washes but Diane didn't like the job too well!

This is the Junior-Senior Prom when we sang "Auld Lang Syne" to the seniors.

The Oriental mural painted by Russell was one of the main attractions of the prom.
